(e) the measures taken/proposed to be taken by the Government to maintain the standard and quality of medical education in the country?

Answer

THE MINISTER OF HEALTH AND FAMILY WELFARE
(SHRI JAGAT PRAKASH NADDA)
(a) & (b): The details indicating the number of Government and Private medical colleges alongwith the number of graduate and postgraduate seats State/UT-wise are at Annexure-I & II. With a view to bridging the gap in underserved areas, the Central Government is implementing a CSS, namely "Establishment of new Medical Colleges attached with District/Referral Hospitals". Under the scheme 58 Medical Colleges are to be established in districts which do not have a Medical College. So far funds for establishment of 22 Colleges have been released to states.

Further, the norms/criteria for establishing a medical college are prescribed by the Medical Council of India's (MCI) Regulations namely "Establishment of Medical College Regulations, 1999". This Regulation provides for relaxed norms relating to land requirement, bed occupancy to facilitate the setting up medical college in North East and Hilly Areas.

(c) & (d): Details are at Annexure- III

(e): Medical Council of India under the IMC Act, 1956 & Regulations made thereunder regulate and maintain the standards of medical education in the country.
